ARTHUR M. BERMAN
PRESIDENT'S COUNCIL SCHOLARSHIP
College of Letters, Arts and
Social Sciences

IN FALL 2010, JENNIFER WILL GRADUATE WITH A BACHELOR'S degree in philosophy. She plans to teach college-level philosophy and economics. Research and discovery also factor into her career objectives. Jennifer is an executive member of all three philosophy clubs and has been an active participant in the Ethics Bowl Competition. Associate professor Michael Cholbi, fondly states, "Jennifer is open to reconsidering her own views, seeing disagreement as an intellectual opportunity and trying to find the valuable insights even in stances she rejects; these are the features that exemplify her intellectual integrity and maturity."

Michael Berman was formerly employed at Cal Poly Pomona as the vice president for instructional and information technology. His family and friends established this scholarship in honor of Mike's late father, Arthur M. Berman. Art Berman worked for the Los Angeles Times for more than 30 years; he served as a mentor for many people in the newspaper industry and strongly believed in encouraging young people to determine their own futures. He saw education and higher education in particular, as the most important tool for self-development. The Arthur M. Berman scholarship will honor a student who is working toward a career in journalism or public service.
